

MASSAGE THERAPY
OFFICE PROCEDURE CONSENT

PLEASE READ CAREFULLY AND THOROUGHLY

I hereby request and consent to massage therapy and other related procedures.

I have discussed with the therapist and/or with other office or clinic personnel the nature and purpose of therapeutic massage and other related procedures. I understand that results will vary depending on the individual and the extent of their condition.

I understand and am informed that, as in all health care, there are some risks to treatment that will be discussed before the treatment, if applicable. I wish to rely on the therapist to exercise judgment during the course of the procedure, based upon facts then known.

At Health Care Center, we value you as a friend and patient. We strive to provide a relaxing, educating and healthful atmosphere. Our therapist treats everyone with respect and trust and deserves the same in return. She works a limited number of hours each week to ensure the best possible care. Under these conditions, the Center must reserve the right to charge the full fee for a missed appointment with less than twenty-four (24) hours notice. Also, the Center reserves the right to charge the full scheduled fee for tardiness of appointments and/or request that appointments be secured by Visa or MasterCard.

I have read the above and have had an opportunity to ask questions about its content.

FEES:	60-minute massage	\$ 80.00 (tax included)
	30-minute massage	\$ 45.00 (tax included)
